

**HOLOWALLS**

# Holo-Floor2

**One-Time Use Removable  
Holographic Film**

**"Comet-Tail"**

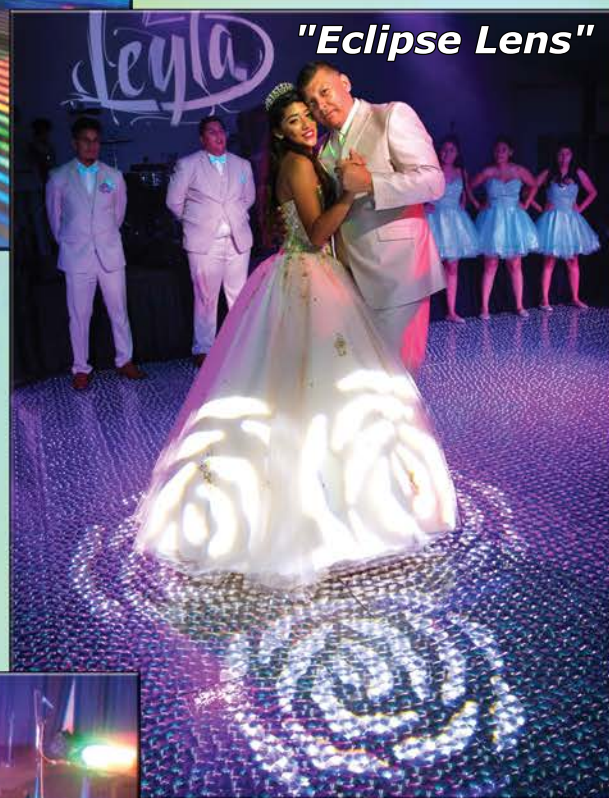

Holo-Walls produces a uniquely effective holographic decorative film with a light-tack, removable adhesive that can be applied to any solid, smooth surface including dance floors.

Safe for all types of dancing, this resilient, tough, 2 mil polyester-based product will not rip or tear. Easy to apply and remove, our unique patterns react to all lighting and become "self-illuminating" adding a new level of intensity and vibrancy to any event that leaves a lasting impression.

Also use for a dazzling bar front, stage floor, wall, display treatment, fashion runways or table cover.

**"Eclipse Lens"**

***"The floor came out fantastic! I had a little anxiety but it worked out great and the impact was huge! Thank you!"  
Ana Fidanque  
Eventology Miami***

**"Holo-Sheen"**

Holo-Floor2 film may be applied to most smooth, clean, prepared solid surfaces including wood, vinyl, laminates, plastics and stone.
